

PUBLICATION LIST

JANICE M. MORSE

THESES/DISSERTATIONS

Morse, J. M. (1978). *An investigation of selected parameters of stress associated with culture shock in foreign graduate students*. Unpublished master's thesis, Pennsylvania State University.

Morse, J. M. (1980). *Illness-proneness in cardiovascular disease and gastrointestinal ulcers: The association of blood group and illness-behavior risk factors*. Unpublished master's thesis, University of Utah.

Morse, J. M. (1981). *Descriptive analysis of cultural coping mechanisms utilized for the reduction of parturition pain and anxiety in Fiji*. Unpublished doctoral dissertation, University of Utah.

Morse, J. M. (1981). *Feeding patterns and health assessment of the Fijian and the Fiji-Indian neonate*. Unpublished doctoral dissertation, University of Utah.

PUBLICATIONS

Articles (refereed)

Morse, J. M. (in press). The ramifications of perspective: How theory focuses research, data and practice. *Journal of Urological and Incontinence Nursing*.

Morse, J. M. (in press). Constructing qualitatively-derived theory: Concept construction and concept typologies. *Qualitative Health Research*.

- Pasco, A., Morse, J. M., & Olson, J. (in press). Negotiating and establishing cross-cultural Filipino Canadian patient and nurse relationships. *Journal of Nursing Scholarship*.
- Morse, J. M., & Chung, S. E. (2003). Towards holism: The significance of methodological pluralism. *Korean Journal of Nursing Query*, 12(1), 38-48. Instruments

Morse Fall Scale. A six-item scale to predict a patient's risk of falling.

Morse Pain Stimulus Scale. A method of using Thurstone's paired comparison technique to rank and weigh the perceived painfulness of painful stimuli.

Adolescent Menstrual Attitude Questionnaire. (with D. Kieren). A Likert scale in two forms (pre- and post-menarcheal) to assess adolescent attitudes towards menarche.

Computer Programs

QUAL: Mainframe program for textual analysis of semi-structured interviews. (With R. M. Morse).

Patents

Variable height bed. PCT Applications No: PCT/CA91/00236; International Publications No: 92/00712, Filing date July 11, 1991. Abandoned: April 6, 1992. Co-inventors, Heinz, D., & Morse, J. M..

Bed alarm. British Provisional Patent No: 91 07 248.8. Filing date: April 6, 1991. Abandoned
April 6, 1992. Co-inventors, Stedman, J. & Morse, J. M.
